

BluePaper

Production conversion smoke test

This one-page PDF was compiled with Typst and uploaded to the live BluePaper API. The sanitized copy should keep the words and layout as pixels, without the original PDF graph.

Expected result after conversion

- Status succeeded
- A rebuilt PDF fetched from GET /v1/conversions/{id}/pdf
- A regexp report from GET /v1/conversions/{id}/report

Compiled

2026-09-14

Tool

Typst + curl
